

6. How do I add dependents and how long are my children eligible as dependents?

To add dependents, please complete the dependent form found in your initial eligibility packet or download it from this website under the **FORMS** link and submit it along with the applicable documents requested on the **BACK OF THE FORM**.

Eligible dependent children will be covered until they reach age 26. Eligible Dependent shall NOT include an individual who is in military service. Please notify the Plan immediately of any status changes for your dependents.
